SkateQuest Dogwood Blossom

Compete USA Competition

1800 Michael Faraday Ct, Reston, VA 20190

April 21st, 2018

The annual Compete USA Competition, SkateQuest Dogwood Blossom, sponsored by the Reston Skating Academy located at 1800 Michael Faraday Ct, Reston, VA 20190 will be held at SkateQuest on Saturday, April 21st, 2018 on the NHL regulation size rink.

Mission Statement

The purpose of the competition is to promote a FUN, introductory competitive experience for the beginning skater.

Eligibility Rules for Participants

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6, Test Track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.
